## Experience

- Cartoonist – Reality Vs Fantasy – Helen Saevold, Photographer (2018-2019)

Produced all art assets for the book Reality Vs Fantasy. Working with Helen to Illustrate the people she photographed in a semi-realistic style, including all assets for the book from cover to typography.

- Character designer – Webpage mascot- University of Gloucestershire (2018)

I evaluated the brief ideas my client had, thumbnail his first ideas and expanding on how they could be used in the webpage. With the base design approved, I had to simplify the design to stand out on the brightly coloured webpage, so that the mascot design could direct student to where to go through the website.

- Story Illustrator – Unseen magazine – Pittville press

Issue 6 – At the Magic Hour, Issue 5 – submerged, Issue 4 – In the sky (2015-2017) Analysing the brief given to me, thumbnail first thoughts.

Design a single-story illustration representing the brief that would captivate readers of the magazine, while sticking to limited colours to be printed as a Risograph.
